I. Purpose

The purpose of this Invitation for Bid (IFB) is to solicit bids and to establish a contract with one qualified source to provide VRT a furnace that utilizes waste motor oil as its fuel and is capable of heating a 6000 sq. ft. garage with 24ft. ceilings. Bid should include price for a minimum 200 Gal. fuel tank that directly feeds the furnace. and complete through the roof exhaust system.

II. Background

Virginia Regional Transit owns a large garage that currently has no heat source. This facility is called the Gateway Building

III. Statement of Needs

Minimum requirements include:

- Furnace capable of heating an approximately 6000 sq. ft. garage with 24 ft. ceilings
- Minimum 200-gallon fuel supply tank
- All necessary equipment and hardware
- Installation, including exhaust system must be included in the bid

IV. Proposal Preparation and Submission Instructions

General Requirements:

1. IFB Response: In order to be considered for selection, bidders must submit a complete response to this IFB. One copy is to be submitted. No other distribution of the bids shall be made by the bidder.
2. Proposal Preparation:
 - Bids shall be signed by an authorized representative of the bidder. All information requested should be submitted. Failure to submit all information requested may result in VRT requiring prompt submission of missing information and/or rejecting the bid. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.
 - Bids should be prepared simply and economically, providing a straightforward, concise description of the capabilities to satisfy the requirements of the IFB. Emphasis should be placed on completeness and clarity of content.
 - As used in this IFB, the terms “must”, “shall”, “should” and “may” identify the criticality of requirements. “Must” and “shall” identify requirements whose absence will have a major negative impact on the suitability of the proposed solution. Items labeled as “should” or “may” are highly desirable, although their absence will not have a large impact and would be useful, but are not necessary. Depending on the overall response to the IFB, some individual “must” and “shall” items may not be fully satisfied, but it is the intent to satisfy most, if not all, “must” and “shall” requirements. The inability of a bidder to satisfy a “must” or “shall” requirement may result in the bidder being deemed as non-compliant.
3. Specific Proposal Instruction: Bidders should submit bids in a sealed envelope to the address stated on the IFB cover sheet and clearly note the IFB # on the outside of the envelope. All bids must be received prior to the deadline to be considered.

These General Terms and Conditions are required for use in written solicitations issued by state agencies for procurements that are subject to this manual unless changed, deleted or revised by the legal advisor to your agency. You should edit the wording to fit the type of solicitation (IFB or IFB) by either deleting

or lining out the inappropriate words in all parenthesis. For service contracts clauses, Q, R, and S are normally not applicable and may be omitted. For goods contracts, omit clause T.

- A. **APPLICABLE LAWS AND COURTS:** This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The contractor shall comply with all applicable federal, state and local laws, rules and regulations.

- B. **ANTI-DISCRIMINATION:** By submitting their bids, bidders certify to VRT that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians with Disabilities Act, the Americans with Disabilities Act and § 2.2-4311 of the *Virginia Public Procurement Act (VPPA)*.

- C. **ETHICS IN PUBLIC CONTRACTING:** By submitting their bids, bidders certify that their bids are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other bidder, supplier, manufacturer or subcontractor in connection with their bid, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

- D. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** By entering into a written contract with VRT, the Contractor certifies that the Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

- E. **DEBARMENT STATUS:** By submitting their bids, bidders certify that they are not currently debarred by the Commonwealth of Virginia from submitting bids or proposals on contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

- G. **CLARIFICATION OF TERMS:** If any prospective bidder has questions about the specifications or other solicitation documents, the prospective bidder should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

H. **PAYMENT:**

1. **To Prime Contractor:**

- a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
- b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- c. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the *Virginia Debt Collection Act*.
- d. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (*Code of Virginia, § 2.2-4363*).

I. **PRECEDENCE OF TERMS:** The following General Terms and Conditions *APPLICABLE LAWS AND COURTS, ANTI-DISCRIMINATION, ETHICS IN PUBLIC CONTRACTING, IMMIGRATION REFORM AND CONTROL ACT OF 1986, DEPARTMENT STATUS, ANTITRUST, CLARIFICATION OF TERMS, PAYMENT* shall apply in all instances. J. **QUALIFICATIONS OF BIDDERS:** VRT may make such reasonable investigations as deemed proper and necessary to determine the ability of the bidder to perform the services/furnish the goods and the

bidder shall furnish to VRT all such information and data for this purpose as may be requested. VRT reserves the right to inspect bidder's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. VRT further reserves the right to reject any bid if the evidence submitted by, or investigations of, such bidder fails to satisfy VRT that such bidder is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.

- K. **TESTING AND INSPECTION:** VRT reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.
- L. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the contractor in whole or in part without the written consent of VRT.
- M. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, VRT, after due oral or written notice, may procure them from other sources and hold the contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which VRT may have.
- N. **TAXES:** Sales to VRT are normally exempt from State sales tax. State sales and use tax certificates of exemption, Form ST-12, will be issued upon request. **(NOT NORMALLY REQUIRED FOR SERVICE CONTRACTS)**
- O. **USE OF BRAND NAMES:** Unless otherwise provided in this solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named, but conveys the general style, type, character, and quality of the article desired. Any article which the public body, in its sole discretion, determines to be the equivalent of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The bidder is responsible to clearly and specifically identify the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable VRT to determine if the product offered meets the requirements of the solicitation. Normally in competitive sealed bidding only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Unless the bidder clearly indicates in its bid that the product offered is an equivalent product, such bid will be considered to offer the brand name product referenced in the solicitation. **(NOT NORMALLY REQUIRED FOR SERVICE CONTRACTS)**
- P. **TRANSPORTATION AND PACKAGING:** By submitting their bids, all bidders certify and warrant that the price offered for FOB destination includes only the actual freight rate costs at the lowest and best rate and is based upon the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be legibly marked or labeled on the outside with purchase order number, commodity description, and quantity. **(NOT NORMALLY REQUIRED FOR SERVICE CONTRACTS)**

- Q. **INSURANCE:** By signing and submitting a bid under this solicitation, the bidder certifies that if awarded the contract, it will have the following insurance coverage at the time the contract is awarded. For construction contracts, if any subcontractors are involved, the subcontractor will have workers' compensation insurance in accordance with §§ 2.2-4332 and 65.2-800 et seq. of the *Code of Virginia*.
