

HOW TO RIDE THE BUS

1. For the safety of all passengers, please stand at the designated bus stop locations when available. Drivers are allowed to stop anywhere along the route to pick up passengers as long as the boarding passenger is waiting at a location that is safe to stop at or pull into. You must make yourself visible to the driver in a safe manner without standing in the road.
2. Allow a few minutes for delays in scheduled time arrivals.
3. Please have EXACT fare ready when you board as drivers DO NOT carry change.
4. In the event of inclement weather, routes will operate if it is safely possible. Check local radio and social media, call Customer Service at (540) 338-1610 or visit our website, www.vatransit.org, for service changes.
5. Riders choosing to transport a bicycle can secure it on the rack in front of the bus before boarding.
6. Please limit your ride to a one hour loop at a time. Riders who appear to be riding for longer than this time will be asked to deboard the bus.
